

Floor 14

ROEBLING'S WATCH

14th and 15th Floor Penthouse,
Soaring Over 150 ft. Above the City

3 Master Bedroom Suites

3 Full and 1 Half Baths

Several Flex Spaces for customized use

2 Terraces and Ample Balcony Space
connect this penthouse to the outdoors unlike any other

EXTRAORDINARY FEATURES

- Just as a ship's watch overlooks the vessel from its highest point, this penthouse overlooks Roebling's Bridge.
- Three full Master Suites make this one of The Ascent at Roebling's Bridge™ most spacious homes, flooded with light and spectacular views from two stories and three sides of glass curtain walls.
- The open floor plan maximizes living and entertaining space.
- The unique central terrace provides not only spectacular views of the Ohio River and the skyline, but a dramatic perch from which to view the signature sloping roofline above and below you.
- A second terrace is perfect for outdoor dining.

These floor plan drawings are for marketing purposes only and are subject to modification. Square footages are approximate. Window and balcony locations are dependent upon level in building and may vary from plan.
